# a message from our president

How did we get where we are today? The journey to create Central Texas Camino de Cristo began in the Fall of 2018. We had sponsored 1 of our grandsons through East Texas Vida Nueva and another one through South East Texas Vida Nueva, now known as Southeast Texas Pescadors. God worked mightily in their lives on their weekends and the Lord put in me a burden for the youth of Central Texas to have this same opportunity to encounter Him in new ways through this ministry. Work began immediately to get the ball rolling but then covid struck and delayed our start. The newly formed Board of Directors continued with the endeavor despite dealing with the chaos that surrounded us. But now we can say for sure, that all the hard work, 2 starts and 2 stops was well worth the wait. God had positioned us to experience the joy in the beginning of this year to share with our youth of Central Texas Camino de Cristo, the first set of weekends. This was made possible in part with the partnership and our sponsoring community Southeast Texas Pescadors. As we continue to work towards building this community and plan our second set of weekends, I ask that you join me in praying for startup resources, adults and youth who are passionate about serving, and youth who are excited to attend upcoming weekends with hearts and minds ready to receive from the Lord!

**Pv 22:6 (NIV) Start children off on the way they should go, and even when they are old they will not turn from it.**

**Blessings to all,**
